Spring '07

Hi All,

Can you believe it's May already where did the last six months go? What a Spring we have had, a wonderful display of daffodils here at The Cottages and the Bluebells are now taking their place.

Lots of News... but where to start?

The remodelling of Garden Cottage and The Apple Loft has been a great success, you will all be as delighted as we are with the end result, they are even better than before!

Garden Cottage now accommodates 2 or 4 people, with a super king size bedroom upstairs and a double downstairs, both en suite.

The Apple Loft has been extended but retains all its character with two new bedrooms upstairs, a king size double and a twin room, both en suite.

Couples

Garden Cottage, The Apple Loft and Rose Cottage are now available for 2 people sharing @ €130 per night, lots of room, great value. (3 day minimum stay).

Stop Press

New luxury non-stop coach service direct to Dublin city centre leaves every hour from 6 am to 12 midnight, virtually from the cottage gate. €10 return. It is so easy, so fast we are using it ourselves, it only takes 35 minutes!

SWIM and GYM - Pay and Play

Excellent new state of the art 25 m pool and full gym has opened in Drogheda, 10 minutes drive. €6 per visit.

Farm Shop

Lis-Maura Farm Shop has yet again extended their range to include a butcher's counter with a great range of organic meat and game.

Faster Route

The Dublin Port Tunnel has opened cutting a good 20 minutes off the drive time for our guests coming by ferry into Dublin Port. Toll is €6 off peak. Don't forget to have your euro ready!

Laytown Races scheduled for 6th September 2007.

The forecast is for a hot, hot Summer. Have a great one wherever you are! All the Best, Roger, Liz and the Team.
