

Hi All,

As another season rolls by we start to think about NEWS for you and you know there is always lots!

FOODIES exciting times.....

We are delighted to announce the re-opening of Bacchus Restaurant by Simon Allott and his partner Katisha. Now called COAST the restaurant has been completely refurbished and is looking great with a really good ambience. Simon is a genius with food and having worked in France for the past 4 years he brings that extra special flavour to his dishes. Yummy!

You can once again stroll down the beach for that extra special romantic evening out.
